

**Columbia College Consent for Limited Queries of the FMCSA Drug and Alcohol Clearinghouse**

I, \_\_\_\_\_, hereby provide consent to Columbia College (College) to conduct limited queries of the Federal Motor Carrier Safety Administration (“FMCSA”) Commercial Driver’s License Drug and Alcohol Clearinghouse (“Clearinghouse”) to determine whether drug or alcohol violation information about me exists in the Clearinghouse.

I understand that if a limited query conducted by the College indicates that drug or alcohol violation information about me exists in the Clearinghouse, FMCSA will not disclose that information to the College without first obtaining additional specific consent from me. I understand that if I refuse to provide consent for the College to conduct limited queries of the Clearinghouse, the College must prohibit me from performing safety-sensitive functions, including driving a commercial motor vehicle, as required by FMCSA’s drug and alcohol program regulations.

I further understand and hereby agree that this consent for limited queries of the Clearinghouse shall be effective for the duration of my employment at the College or until the date I submit in writing to the College a revocation of this consent.
