

Unmanned Aircraft System Flight Request
Columbia College

Per the Columbia College Unmanned Aircraft System Policy, a flight request must be filed with the Campus Safety Office at least 24 hours in advance of the planned use of any unmanned aircraft systems (drones) operated on College Property, as defined in the policy. For more information or questions regarding the policy, please contact the Plant and Facilities Operations Office, St. Clair Hall 4 or (573) 875-7300.
